

THE RECIPE FOR REVIVAL

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways... - II Chronicles 7:14

SPECIAL RECENT EVENTS

VETERANS DAY

This past Veterans Day, we had the opportunity to be with Bible Baptist Church, Pastor Carlos Serrano, in National City, CA. We enjoyed sweet fellowship with the church family as well as the privilege to preach and minister the word to church members, and numerous visitors. The music and choir were such a blessing, and many veterans were honored. A wonderful job by this church, and her pastor and staff!

A VISIT TO THE "MILITARY VETTE" IN ALLENTOWN, PA

Recently, Deb and I were able to make a special visit to see the Military Vette in the museum we donated her to on the 20th Anniversary of September 11th. Now in her own special location with the New York city skyline as her backdrop, she is actively giving out truth, and serving as a memorial to the lives lost on 9-1-1, as well as the War on Terror.

With over 10,000 names of those who lost their lives on that tragic day and the troops who died fighting terrorism, the Vette is a reminder to all who see her of the fact that life is brief and uncertain, and that freedom is not free.

If you are ever in the Allentown area, stop by the "America On Wheels" museum for a visit. Read the 'story of the roses', and scan the QR code to be treated to a video presentation.

TROOP CARE PACKAGE PROGRAM

NEW RESOURCE

Our ministry has been supplying resources to our troops for a number of years. The packaging and shipping of these items, especially the 'pocket packs', has been the responsibility of my mother, Karen Sommerdorf, in Minnesota. These resources have been distributed coast to coast, and overseas, effectively sowing the seed of God's word into the hearts of our servicemen and women around the world.

Recently we added a new resource to our program, adapting to the ever changing media methods we see. We have developed a **coffee coaster**, with an image of the Military Vette on one side, and an American Eagle on the other. Each side comes with a **QR code** to download music, sermons, and videos that share the truth of God's word, and the need for a relationship with Jesus Christ.

Pray for the Lord to use this new item to impact our troops eternally.

A NEW BOOK PUBLISHED & AVAILABLE

In July, I was able to publish my first book, following my wife's lead. (Deb now has 3 books published, with a fourth hopefully completed by January).

"Legalism, Liberty, and Lawlessness" addresses the current cultural battle that we are in, and how to find the biblical balance in our walk with our Saviour. Though not lengthy, it is a practical, passionate and easy to read work. Weaving life experiences with sound Bible teaching and practical application, it has already struck a chord with many, especially those who are newly saved.

One pastor in Florida commented upon reading it: *"Thank you for the book... I enjoyed it! A refreshing perspective with helpful insights and illustrations. I found it to be well-balanced, succinct, and truth spoken in love. Your daughter did an amazing job with the cover and graphics, as well. I love everything about it."*

– Pastor Sam McFarland

FROM THE HOME FRONT

A NEW GRANDCHILD!

On the 28 th of April, our youngest son Steven and his wife Emilia welcomed a daughter, Aaliyah Rae to the family. She joined her older sister, Arya Willow, and is a delightful and sweet little child. Deb was able to fly up to visit in June, and both Deb and I are humbled by the blessings that the Lord has bestowed upon us! Sixteen grandchildren and counting!

FAMILY REUNION 2025!

In September, twenty six members of our family traveled to Myrtle Beach, SC for our biannual family reunion. Also included in the ranks were my mother, Karen Sommerdorf, who flew in from Minnesota.

With the adults outnumbered by the grandchildren, an absolutely wonderful time was enjoyed by all! From games and food, accompanied by laughter and fellowship...to a kite flying expedition at the ocean, as well as movies under the stars...it was truly an enjoyable and memorable experience!

Also, the singing and devotional times were so sweet, and both Deb and I are humbled by the heritage that our Saviour has blessed us with.

The song says it so well. "We've Got So Much To Thank Him For".

Thank you for your prayers and support,

Bro. Dave and Miss Deb
